#### FORMULÆ.

Absorption Required, 150.

Acute Bronchitis, 870.

Acute Coryza, 72.

Aene, 150, 298, 871.

Acute Rheumatism, 223, 771.

Alopecia Circumscripta, 265.

An Alkaline Tincture, 340.

An Epilatory in Skin Diseases, 692.

Antiseptic Varnish, 920.

Aristol in Hemorrhoids, 132.

Atrophic Rhinitis, 226.

Aqua Picis in Cholera, 226.

Bee Stings, 868.

Bites of Insects, 226.

Bromidium, 150.

Brown Leather Polish, 150.

Burns, 267.

Carbuncle, 29.

Chloroform for Tape-worm, 880.

Chronic Bronchitis and Emphysema, 226.

Cocktail Bitters, 316.

Constipation in Dyspeptics, 801.

Constitutional Syphilis, 226.

Cramps of Legs in Pregnant Women, 305.

Cutaneous Diseases, 226.

Deodorizer for Iodoform, 150.

Diarrhoea, 29.

Diphtheria, 868.

Dysmenorrhoea, 836.

Dyspnoea of Acute Phthisis, 838.

Eczema of Ear and External Auditory Canal, 9.

Of Vulva, 150.

Embalming, 15.

Enlarged Tonsils, 226.

Flatulent Dyspepsia, 29.

Formulae for Antiseptic Treatment of Boils and

Carbuncles, 694.

Gonorrhoea, 105.

Good Alternative, 305.

Hardening and Coloring Plaster of Paris Casts, 191.

Hemoptysis, 800.

Herpes Zoster, 226.

Hyperidrosis, 150.

Hypodermic Injections of Iron in Anæmia, 218.

Hysteria, 800.

Inebriety, 882.

Interigo, 305.

Itching After Eruptive Diseases, 868.

Label Paste, 185.

Laryngeal Phthisis, 185.

Leucorrhoea, 694.

Liniment for Neuralgia, 29.

Liquid Spice Plaster, 150.

Local Anæsthesia, 185.

Syphilides of the Scalp, 218.

Migraine, 199, 868.

Malignant Lymphoma, 867.

Naso-Pharyngeal Catarrh of Nurslings, 1-9.

Naphthalene in Talcum Powder, 802.

Nervine Tonic in Pill Form, 345.

Nocturnal Sweats of Consumption, 226.

Night Sweats of Pulmonary Tuberculosis, 29.

Ovaritis, 883.

Pain in the Ear, 132.

Palpitations in Arteriosclerosis, 692.

Paralysis in Lead Poisoning, 20.

Pediculosis Capitis, 388.

Phosphorus in Osteomalacia, 694.

Pityriasis Rubra, 316.

Prevention of Boils, 226.

Pruriginous Affections of the Skin, 868.

Pruritus, 267.

Purulent Cystitis, 34.

Salicylic Acid in Acute Rheumatism, 882.

Salicylic Acid in Cancer of Uterus, 801.

Scrofula Eczema, 191.

Shock following Abdominal Operations, 223.

Soothing Ointment for Eczema, 342.

Spice Plaster, 191.

Stubborn Neuralgia, 340.

Sub-Acute Stage of Bronchitis, 150.

Suppositories for Acute Articular Rheumatism, 799.

Tape-Worm, 150.

To Hasten Desquamation in Scarlatina, 219.

Treatment of Comedones, 149.

Urticaria, 191, 305.

Vomiting after Etherization, 132.

Fracture of the Humerus in a Child One Day Old, 72.

Of Patella, William Mackie, M. A., M. D., 235.

Of Skull with Protrusion of Brain Substance

and Removal of Same, W. R. George, M. D.,

Abbeville, Ga., 202.

Frequency of Sequestra in Tuberculosis of Large

Joints; Treatment of Joint Tuberculosis, 540.

Further Observations of the Relation of Pelvic Disease

and Psychological Disturbances in Women, George H.

Rohe, M. D., Catonsville, Md., 84.

Gastric Stomy by Witzel's Method For Primary

Cancers of the Esophagus, William W. Keen,

M. D., Philadelphia, 923.

Gangrene Complicating Cholera, 462.

Of Foot and Leg, B. H. Potts, M. D., Philadel-

phia, 17.

Gall-stone Complicated by Gastric Ulcer, W. Henry

Price, 633.

Gastric and other Nervous Symptoms of Neurasthenics, 620.

Ulcers, 348.

General Body Deformity with Ankylosis of the

Spine, 939.

General Paralysis or Paralytic Dementia, D. R. Pel-

ton, M. D., Topeka, Kansas, 243.

Geological Times, 500.

Gonorrhoea and the Puerperum, 542.

Gonorrhoeal Infection of Mucous Membrane of Mouth in

New-Born Infants, 155.

Occurring in Little Girls, 645.

Hæmaturia, 383.

Hæmophilia and Parturition, 464.

Heart Failure, 995.

Headache, 62.

Versus Glaucoma, W. L. Bullard, M. D., Columbus,

Ga., 204.

Heart Disease or Kidney Disease, James Tyson,

M. D., 517.

Heat and Chloroform, 75.

Hemianopsia and Certain Symptom Groups in Sub-

Cortical Lesion, 561.

Hemiparaplegia, 556.

Hemiplegia following Injury, 755.

- Hereditary Ataxia, 880.  
 Transmission of Immunity Against Rabies from the Father to the offspring, 660.  
 Hernia of the Vermiform Appendix, 645.  
 Hints to Prevent the Spread of Consumption, 73.  
 Homoeopaths as Vivisectors, 796.  
 Horse-hair in Minor Surgery, 774.  
 Hot water in Treatment of Corneal Affections, 348.  
 How an Epidemic of Pneumonia was Checked, 686.  
 How can Women Promote Public Sanitation? 682.  
 How Shall the Dispensary Abuse be Remedied, 977.  
 How Shall our Lepers be cared for? 687.  
 How to give a Fomentation, 272.  
 Human Nasal Canals as related to Climate and Pulmonary Disease, 955.  
 Hydrastis in treatment of Night-Sweats, 881.  
 Hygiene of Hair Dressing and Barber Shops, 685.  
 Hypodermic Injection of Mercurial oil in Cerebral Syphilis, 837.  
 Hypnotism and Suggestion, 656.  
 Hysterectomy for Cancer of Cervix, 883.  
 Ichthyol in Erysipelas, 153.  
   In Prostatitis, 619.  
 Importance attached to Conditions of the Tonsil, 955.  
 Immunity Against Cholera, 568.  
 Importance of the Spleen in production of Immunity against Tetanus, 691.  
 Important Experiments Toward Maintaining Purity of the Milk Supply, 573.  
 Improved Middle Ear Powder Blower, 795.  
 Improvement of Hearing After the Removal of Polypi and Granulations From the Middle Ear, Louis J. Lautenbach M. D., M. D.  
 Inaugural Address, 678.  
 Inoculation of Measles, 955.  
 Indication and preferable Methods for Mastoid Operations, 791.  
 Indications for Administration of Chloralamid, 239.  
   For Enucleation of an Eye, 111.  
   Technique and Results of Operation on Appendages, 873.  
 Inebriety, R. M. Wigginton, M. D., Waukesha, Wis., 311.  
 Infantile Eclampsia, 762.  
 Influence of Chloroform upon the course of Normal Labor as Shown by the Tachydynamometer, 258.  
   Of Disease of the Ear upon the Development and Course of Insanity, 225.  
   Of Habitations in Propagation of Tuberculosis, 284.  
   Of Horizontal and Vertical Positions on the Cerebral Functions, 736.  
   Of Mineral Baths in Normal and Pathological Menstruation, 920.  
   Of Special Societies and Section work on the development of Neurology in America, 554.  
   Of treatment of Syphilitic Mother during Pregnancy on Health of Infant, 662, 764.  
 Ingrowing Toe-nail, 662.  
 Injections of Glycerine to Induce Premature Labor, 621.  
   Of Iodoform in Goitre, 619.  
 Injury to Hand—Proposed Operation, 19.  
 Insanity Among Convicts, 559.  
   Following Surgical Operations, 230.  
 Instruments for Appliance of Galvanic Current to the Orifice of Eustachean Tube, 735.  
 Interesting Cases in Abdominal Surgery, 25.  
   Case of Empyema, 426.  
 Intestinal Anastomosis, 77.  
   Anastomosis by an Improved Method with two plates and two knots, 54.  
   Resection, 21.  
 Intra-peritoneal Ectopic Gestation, 621.  
 Pulmonary Injections in Pulmonary Tuberculosis, 427.  
 Uterine Asphyxia with Report of three Cases, Geo. F. Hulbert, M. D., St. Louis, Mo., 407.  
 Uterine Injections in Puerperal Infections, 376.  
 Intravenous Injections of Corrosive Sublimite in Cases of Cerebral Syphilis, 466.  
 Intubation, 989.  
 Intubation for Papilloma of Larynx, 283.  
   With Report of Cases, G. D. Nutt, M. D., Williamsport, 398.  
 Invalid Pensioners as Life Insurance Risks, H. T. Guss, Washington, D. C., 640.  
 Inversion and Falling of the Puerperal Uterus, 506.  
 Iodide of Potash in Headache, 694.  
 Iodine Treatment of Goitre, 76.  
 Iron Subcutaneously in Chlorosis, 620.  
 Irreducible Hernia; Abscess of the Omental Stump, 752.  
 Irrigation of the Bladder, 758.  
 Irritable Conditions of the Stomach, 881.  
 Japanese Double-Tailed Fish, 365.  
 Justifiable Prevention of Conception, 175.  
 Knots in the Umbilical Cord, 622.  
 Labia Chanere in Cigar-Makers, 883.  
 Labor Obstructed by Ovarian Tumors, 494.  
 Large Cyst of Kidney; Nephrectomy; Recovery, L. S. M'Murtry, M. D., 368.  
   Doses of Digitalis in Croupous Pneumonia, 582.  
   Doses of Strychnine in the Treatment of Pulmonary and Cardiac Diseases, Thomas J. Mays, A. M., M. D., 713.  
 Lateral Anastomosis by the Murphy Button for Artificial Anus, G. D. Thomas, M. D., Chicora, Pa., 396.  
 Lawyer's Criticisms of Expert Testimony, 563.  
 Leaving Children to the Care of Nurses, 574.  
 Lesion of the Right Temporo-Sphenoidal Lobe, 561.  
 Limited Importance of Albuminuria in Diagnosis of Bright's Disease, 539.  
 Local Disinfection, 618.  
 Long Continued Fevers in Louisiana, 894.
